

## IT Service Engineer (f/m/d)

### What do we do and who fits to us:

You think that your colleagues, customers and your growth are key for you?

You feel responsible for the results of your work?

You have fun doing your work?

You would like to have an opportunity to grow with a company?

If your answers to those questions are YES, join us!

[GREEN IT](#) is a young and growing Munich IT Service provider which designs, implements and supports IT infrastructures.

### This is what you will do:

You will work independently in remote support as well as in workplace and application support (including ERP, DMS, Jira, Confluence, Sophos) and thus make an important contribution to the success of the company. The support of Microsoft Office 365 products is just as much a part of your area of responsibility as the employee administration in the Active Directory as well as the installations and configurations of the software and hardware. With your communicative nature and structured way of thinking, you will quickly find a solution in the context of troubleshooting. Call management and its documentation as well as ticket monitoring complete your daily work.

### What you will bring:

- You have at least 3 years of work experience as IT Service Engineer
- You are experienced in the administration and installation of Microsoft client operating systems, including user software
- You are familiar with Active Directory, Endpoint Security of well-known manufacturers, Jira and Confluence among others
- You convince with excellent communication skills, both verbal and written in English and German, with the ability to communicate technical concepts to non-technical stakeholders
- You want to broaden your horizons through new technologies and further trainings

### What we'll offer:

- An opportunity to shape the future of our company and to build out our product portfolio
- Personal growth plans including regular employee appraisals
- Tax-free subsidies up to 60€ per month
- Fantastic colleagues and regular team events
- Fresh fruit and free drinks in the office
- The possibility to charge your electric car for free at our office
